

How to hire from Digibroadcast

Step 1

Find or enquire about the item you want on our website www.digibroadcast.com Call us on 0208 397 1407 or email info@digibroadcast.com

Confirm prices and documentation with one of our sales team.

Step 2

Arrange for either delivery or pick up. We can offer same day delivery to London and surrounding areas.

Step 3

Use equipment for duration of rental. If you need to use the equipment for longer than your initial hire time, contact us and we will be happy to try and extend and re-quote.

Step 4

You can drop off your rental equipment directly to us during office hours (however we appreciate that your hours may be more varied, so collections and returns at alternative hours can be arranged). Or you can return via a secure and insured method. Once the item is returned and fully checked and tested any deposit held is refunded.
